

CALL FOR PAPERS

"Landscape management for functional biodiversity"

29 - 31 March 2017 Dundee Scotland

CALL FOR PAPERS

7th meeting of the IOBC/WPRS Working Group
"Landscape management for functional biodiversity"
will be held in conjunction with a British Ecological Society Agricultural
Ecology Special Interest Group meeting on 29-31 March 2017
Dundee, Scotland

Call for Papers : You are invited to submit abstracts for oral and poster presentations to the 7th meeting of the IOBC/WPRS Working Group "Landscape management for functional biodiversity" in conjunction with a meeting of the British Ecological Society Agricultural Ecology Special Interest Group.

We would like contributions from all those interested in discussing the latest advances in the research, development and application of landscape management for functional biodiversity. This includes scientists, land managers, conservation bodies and all other stakeholders.

Authors of selected presentations are expected to contribute papers for publication in the IOBC-WPRS Bulletin which will be available online. Contributions should be limited to 4 pages maximum, including tables and graphs. [View full instructions for authors including how to submit abstracts here](#). Deadline for abstract submission is Monday **28 November 2016** with acceptance confirmed by Monday **12 December 2016** and deadline for paper submissions by Friday **20 January 2017**.

IOBC
